

## **37' OPEN FISH OPTIONS AND KEY FEATURES**

- **Extreme rough water performance - used by law enforcement and military around the world**
- **Head-turning design - have the most beautiful boat in your marina**
- **Industry leading wide beam (37' length with 11'6" beam)**
- **Wide beam and low center of gravity results in an extremely stable fishing platform**
- **Proven stepped hull that combines wide beam with speed and efficiency**
- **Get to the fishing grounds first and use less fuel than the competition**
- **Advanced hull design to maximize performance of the new high horsepower 4-stroke engines**
- **Triple and quad engine packages available**
- **High-tech honey-comb cored construction with the highest quality resins and glass**

### ***Unequaled fish fighting ability due to:***

- **Largest cockpit in the industry**
- **Fish can be fought for 360 degrees around the boat**
- **Chase a fish going forward rather than backing down**
- **Expansive helm with room for all your electronics, controls and more**
- **The easiest access to all connections and hardware of any boat in the industry**
- **Exceptionally large head with easy access via an hydraulically controlled door**
- **Easy access to stern bilge via hydraulically controlled hatch**
- **All pumps, valves and fittings within easy reach**
- **Custom live-well layout – current boat has 3 (2 are insulated to double as coolers), more available**
- **Custom layout of rod-holders**
- **Rod holders have no external screws thereby avoiding corrosion and providing a cleaner look**
- **Rod holders have permanent plastic inserts instead of the typical rubber inserts that wear and fade – this design provides better protection of your rods**
- **Custom outriggers integrated into hardtop**
- **Two tone hard-top with integrated lighting, powder coated frame and hidden screws**
- **Extra strong frame with unique construction**
- **5 large fish-boxes including an insulated FrigidRigid over a ram operated forward storage compartment**
- **20 drawers for tackle storage**
- **Mister system to keep you cool on those hot days**
- **Bow thruster**
- **Extensive options for custom sound systems**
